can
help!

BENEFITS PLANNING PROJECT

What is the Benefits Planning Project?

We are a federally funded program created to help individuals receiving SSI/SSDI make informed choices about going to work.

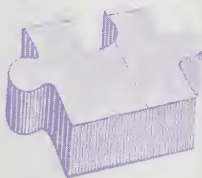

If you are interested in getting a job, we will help you understand how working will affect your benefits.

We will explain some work incentives, such as the one that allows you to keep your Medicaid or Medicare benefits while you work.

Our Benefits Planning Project will give you the information you need to make the best choice about your future.

Who is eligible?

Anyone who gets Social Security disability benefits (SSI/SSDI) and wants to return to work is eligible to get free benefits planning services.

How can a benefits specialist help?

Your benefits specialist can:

- Explain how ALL of your benefits will be affected if you go to work. These benefits include SSI/SSDI, subsidized housing, food stamps, welfare benefits, Medicaid and Medicare;
- Give you a written report that shows how earnings from your job will change your benefits;
- Tell you about other community services that can help you;
- Be available to answer any questions you have about your benefits, even after you go to work;
- Provide ongoing benefits management, which can include a new analysis if you get a raise; and
- Make a referral to help you resolve any legal barriers related to employment, such as employer accommodations that will help you do your job.

What area do we serve?

**Our Benefits Planning
Project serves 60 counties
throughout Illinois.
Our service area is:**

Bond	Gallatin	Richland
Boone	Hamilton	Rock Island
Bureau	Hardin	Saline
